

REMARKS

Applicant appreciates entry and consideration of claims 66-85 newly presented herein. As indicated previously, the present application claims priority of allowed U.S. Patent Application Serial No. 09/641,325. Applicant respectfully believes that claims 66-85 also define the present invention over the known art and are, therefore, believed to be in condition for allowance. A Notice of Allowance is accordingly requested.

Should the Examiner have any questions regarding this Amendment, he is cordially invited to contact the undersigned.

Respectfully submitted,

Timothy J. Ziolkowski
